

## **Sunnyside Academy Parent Commitment**

**As a parent of the Sunnyside Academy community, I pledge to do the following two (2) commitments: (Please check each one and sign below to help promote a strong SS community for the benefit of the Sunnyside Academy students.)**

- Comply with the Mutual Respect Policy of Sunnyside as it relates to other Parents and the Sunnyside Academy Staff.**

**Sunnyside Academy** is fueled on positivity and maintains a happy environment for its community members of students, parents and professionals. **Sunnyside Academy** Institute prides ourselves on offering a professional environment, respect for our clients & students and great customer service. We also ask that our parent community reciprocate the professionalism and respect to the **Sunnyside Academy** staff and other parents. All parents should be respectful to all **Sunnyside Academy** parents, students and staff members within the **Sunnyside Academy** community at all times. This is a requirement of our parents to continue to promote a strong environment. We thank you in advance for your support in efforts to maintain a wonderful **Sunnyside Academy** family community.

- Complete my Parent Commitment/Fundraiser Requirement**

**Sunnyside Academy** recognizes and celebrates socioeconomic diversity of the **Sunnyside Academy** community and as a result the school keeps tuition in an affordable range for as many families as possible. Note: The parent commitment/fundraiser requirement was designed to help close the gap annually in the deficit for actual tuition costs. It also helps minimize the annual tuition increase. The fundraiser is not designed to be an out of pocket expense for the parent; however, in the event the parent decides to opt out of the fundraiser in the Fall, the parent must factor this into the cost of their tuition. (There is a \$300 Annual Fall Parent Commitment Requirement per Family which is due by December 1st. All Fundraiser materials are provided to the parent by the school.)
